

## CABOT

Death of Mrs. Mary Morse, a Native of Woodbury, Occurred Oct. 14.

Mary (Lawson) Morse was born in Woodbury, April 3, 1833, and died in Cabot, Oct. 14, 1919. She was the third of six children born to Rollins and Betsey (Brown) Lawson.

Mrs. Morse's early childhood was spent in Woodbury, but nearly all her later life was in Cabot. She was three times married. Her first marriage was to Emory King of Woodbury, who soon succumbed to that dread disease, tuberculosis. Her second marriage was to Delos Ellis of Michigan and to this union two sons were born, both dying of measles within a few hours of each other, one at the age of three years and the other six months. Mr. Ellis also died of tuberculosis. Her third marriage was to William Morse of Montpelier, and to this union two daughters were born, Grace, now the wife of Howard Pike of Montpelier, and Maud, the wife of William B. Lyford of Cabot.

Mrs. Morse was of a very quiet, retiring disposition, a very hard working woman, and never spared herself for her family or relatives, only giving up a short time before her death as a child lies in sleep, tired and worn out from play.

She leaves to mourn her loss her husband, who has been in poor health for several years, two daughters, two brothers, Edgar R. Lawson of Cabot and Charles C. Lawson of East Rochester, N. Y., four grandchildren, seven nieces and five nephews.

Mrs. Morse's funeral was held from the house Thursday, Oct. 16, and at her request Rev. F. E. Currier officiated, assisted by Rev. L. Goldard. Her brothers, Edgar and Charles Lawson, her nephew, Harry Lawson, and her son-in-law, Howard Pike, acted as bearers. It can be truly said of her, "She looked well to the ways of her household and ate not the bread of idleness."

Clare Garney proved himself one of the lucky hunters who have returned from a hunting trip in New Hampshire, having killed a deer and a black bear. Dr. and Mrs. M. D. Warren went to Worcester Wednesday, where Mrs. Warren's son, Mark Gilden, has been in a hospital for treatment, after having been seriously wounded overseas, which, with shell shock, had affected him mentally. He is reported as nearly recovered.

Mrs. Spencer of Plainfield has been a guest of Mrs. Peter Urban several days.

Mrs. Hattie Wood of Barre has been a guest at the home of her brother, J. M. Southwick, the past week.

Mrs. S. J. Norris went to the Mary Fletcher hospital for treatment the first of the week.

Mr. and Mrs. Charles King were business visitors in Worcester Monday.

F. A. Wales has rented a shop at Morrisville and will soon occupy the same, building sleighs.

Will Stone visited his daughter, Mrs. Grandfield, in Montpelier, recently.

L. A. Farrington has sold his gristmill to Mr. Smith of Hardwick.

Mrs. Jennie Rogers is in the Mary Fletcher hospital for treatment.

Glenn Martin has moved from Lower Cabot into the north rooms of his father's house.

Mr. and Mrs. Ned Webster and children were visitors in North Calais last week.

Miss Alice Hancock of East Hardwick, a former teacher in this town, was a guest of Mrs. Lella Blodgett several days this week.

Carl Fisher of San Mateo, Cal., visited his father, L. C. Fisher, this week. His son, Dean of Malone, N. Y., spent Sunday at his father's home.

Card of Thanks.

We wish to express our thanks and appreciation to our friends who assisted us during the sickness and death of our wife and mother. We wish especially to thank all those sending flowers and to the ladies' aid for assistance rendered.

William Morse, Mr. and Mrs. J. Howard Pike, Mr. and Mrs. W. B. Lyford and family, Edgar Lawson and family, Charles and Harry Lawson.

Miss Agnes May McLean Bride of William Edwards.

A very quiet wedding was solemnized on Wednesday evening, Oct. 15, at the home of Mr. and Mrs. J. R. McLean when their youngest daughter, Miss Agnes May, was united in marriage to William Edwards of Websterville, Rev. J. C. Wright was the officiating clergyman. They were unattended. The bride was very daintily gowned in cream silk georgette with crystal trimmings. Mrs. Edwards has served as postmistress here for a period of nine years and has also assisted her brother, G. L. McLean, as clerk in his store, where by her genial and pleasant manner she has won many friends and she will be missed not only in the home but in the community. Mr. Edwards is employed by the Wetmore-Morse company as blacksmith. He has a fine residence in Websterville, where they will make their future home. This esteemed couple has a large circle of friends, who extend best wishes for a happy wedded life.

A few of the friends of J. C. Lang, partner of a houndstail, spent at his hospitable home on Wednesday evening, it being in honor of his 53d birthday. Among those present were Mrs. Orilla Lang of St. Johnsbury and Mrs. William Tower of St. Johnsbury Center.

## Born in 1839 Dr. Caldwell Still in His Office Daily

Wonderful vigor of the founder of Dr. Caldwell's Syrup Pepsin. Millions now use his famous prescription

ALL physicians know that good health depends largely upon proper digestion and elimination, and that most sickness results from these causes. None knows this better than the "family" doctor, the general practitioner.

Dr. W. B. Caldwell of Monticello, Illinois, was and is a family doctor. The whole human body, not any small part of it, was his practice. More than half his "calls" were on women, children and babies. They are the ones most often sick. But their illnesses were usually of a minor nature—colds, fevers, headaches, biliousness—and all of them required first a thorough evacuation. They were constipated.

Dr. Caldwell in the course of 40 years' practice, for he was graduated from Rush Medical College back in 1875, had found a good deal of success in such cases with a prescription of his own containing simple laxative herbs with pepsin. In 1892 he decided to use this formula in the manufacture of a medicine to be known as Dr. Caldwell's Syrup Pepsin, and in that year the preparation was first placed on its market. The picture of Dr. Caldwell that appears on the package was taken in that year.

The preparation immediately had as great a success in the drug stores as it previously had in the doctor's private practice. To the third generation is using it.

Mothers are giving it to their children who were given it by their mothers. Every second of the working day somewhere 6 million bottles are sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.

Women, children and old people are the ones most benefited by Dr. Caldwell's Syrup Pepsin. It differs from physics in that its action is mild and gentle and free from gripping. It does not weaken. And while it is promptly effective in the most obstinate case, it is safe for a tiny baby as it contains no narcotics.

Every drug store sells Dr. Caldwell's Syrup Pepsin at 50c and \$1 a bottle, the latter the family size and sufficient to last months. Keep a bottle in your home. Where many live someone is sure to need it quickly.

Dr. W. B. CALDWELL TODAY  
Born in Shelbyville, Mo., March 27, 1839.  
Began the manufacture of his famous prescription in 1892.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell,
